Management's Responsibility

To the Board of Trustees of Peigan Board of Education and members of the Pilkani Nation:

The accompanying financial statements of Peigan Board of Education are the responsibility of management and have been approved by the Board of Trustees.

Management is responsible for the preparation and presentation of the accompanying financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of financial statements.

The Peigan Board of Education Board of Trustees are responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the financial statements. The Trustees fulfil these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and external auditors. The Trustees are also responsible for recommending the appointment of the Organization's external auditors.

MNP LLP is appointed by the Board of Trustees to audit the financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Board of Trustees and management to discuss their audit findings.

July 4, 2017

Lisa Coulshoe

Director of Education Independent Auditors' Report

**MNP** 

To the Board of Trustees of Peigan Board of Education and members of the Pilkani Nation:

We have audited the accompanying financial statements of Peigan Board of Education, which comprise the statement of financial position as at March 31, 2017, and the statements of operations, changes in net debt, cash flows and the related schedules for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Peigan Board of Education as at March 31, 2017 and the results of its operations, changes in net debt and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Cash deficiency, end of year	(172,446)	(381,478

For the year ended March 31, 2017

#### 1. Operations

The Peigan Board of Education (the "Board") is located in the province of Alberta, and its principal activity is to provide for the educational needs of the families of the Piikani Nation.

The Board is exempt from paying income tax under Section 149(1)(d.5) of the *Income Tax Act* as all revenue and funding are earned 100% on reserve.

#### 2. Significant accounting policies

The financial statements have been prepared in accordance with Canadian public sector accounting standards set out in the CPA Canada Handbook - Public Sector Accounting as issued by the Accounting Standards Board in Canada and include the following significant accounting policies:

#### Basis of presentation

Sources of revenue and expenses are recorded on the accrual basis of accounting. The accrual basis of accounting recognizes revenue as it becomes available and measurable; expenses are recognized as they are incurred and measurable as a result of the receipt of goods or services and the creation of a legal obligation to pay.

#### Cash resources

Cash resources includes balances with banks and short-term investments with maturities of three months or less.

#### Patronage equity

Patronage allocations are recognized in operations when allocated by the cooperative. Any portion of the allocation not paid in cash is added to the carrying amount of the Board's patronage equity investment.

#### Tangible capital assets

Tangible capital assets are initially recorded at cost.

#### Amortization

Tangible capital assets are amortized annually using the following methods at rates intended to amortize the cost of the assets over their estimated useful lives:

	Method	Rate
Buildings	straight-line	4 %
Equipment Automotive	straight-line straight-line	20 % 30 %

#### Long-lived assets

Long-lived assets consist of tangible capital assets. Long-lived assets held for use are measured and amortized as described in the applicable accounting policies.

The Board performs impairment testing on long-lived assets held for use whenever events or changes in circumstances indicate that the carrying amount of an asset, or group of assets, may not be recoverable. The carrying amount of a long-lived asset is not recoverable if the carrying amount exceeds the sum of the undiscounted future cash flows from its use and disposal. Impairment is measured as the amount by which the asset's carrying amount exceeds its fair value. Any impairment is included in operations for the year.

For the year ended March 31, 2017

### 2. Significant accounting policies (Continued from previous page)

#### Revenue recognition

#### Funding

Indigenous and Northern Affairs Canada ("INAC") revenue is recognized as it becomes receivable under the terms of the applicable fund transfer agreements.

Treaty 7 Management Corporation revenue is recognized as it becomes receivable under the terms of the applicable fund transfer agreements.

Other government funding is recognized as it becomes receivable under the terms of applicable funding agreements. Funding received under funding arrangements that relate to a subsequent fiscal period are reflected as deferred revenue on the statement of financial position in the year of receipt.

#### **Government Transfers**

The Board recognizes a government transfer as revenue when the transfer is authorized and all eligibility criteria, if any, have been met. A government transfer with stipulations giving rise to an obligation that meets the definition of a liability is recognized as a liability. In such circumstances, the Board recognizes revenue as the liability is settled. Transfers of non-depreciable assets are recognized in revenue when received or receivable.

#### Other revenue

All other revenue is recorded in the year in which it is earned and collection is reasonably assured.

#### Contributed services

Members of the Martin Family Initiative contributed numerous hours to assist the Board in carrying out its activities. Due to the difficulty of determining their fair value, contributed services are not recognized in the financial statements.

#### Non-financial assets

The Board's tangible capital assets and other non-financial assets are accounted for as assets because they can be used to provide government services in future periods. These assets do not normally provide resources to discharge the liabilities of the Board unless they are sold.

#### Measurement uncertainty

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period.

Accounts receivable are stated after evaluation as to their collectibility and an appropriate allowance for doubtful accounts is provided where considered necessary. Amortization is based on the estimated useful lives of tangible capital assets.

These estimates and assumptions are reviewed periodically and as adjustments become necessary, they are reported in operations in the periods in which they become known.

For the year ended March 31, 2017

#### 2. Significant accounting policies (Continued from previous page)

#### Net financial assets (net debt)

The Board's financial statements are presented so as to highlight net financial assets (net debt) as the measurement of financial position. The net financial assets (net debt) of the Board is determined by its financial assets less its liabilities. Net financial assets (net debt) combined with non-financial assets comprise a second indicator of financial position, accumulated surplus (deficit).

#### Segments

The Board conducts its operations through 12 reportable segments: Administration, INAC Band Employees, Post Secondary, High School, Elementary, Transportation, Operations and Maintenance, School Lunch, Special Education, First Nation Student Success Initiative, Board, Own Source Revenue. These operating segments are established by senior management to facilitate the achievement of the Board's long-term objectives to aid in resource allocation decisions, and to assess operational performance.

For each reported segment, revenue and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information. Administration fees reported as transfers between programs have been apportioned based on a percentage of budgeted revenue, where permitted by the funder.

The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements as disclosed in Note 2 the Significant accounting policies.

#### 3. Bank indebtedness

At March 31, 2017 the Board had an operating line of credit totaling \$200,000 (2016 - \$300,000) of which \$nil (2016 - \$200,000) was drawn. In the current year the, indebtedness is a result of cheques issued in excess of cash on deposit and not due to the use of the operating line of credit. The following has been collateralized in connection with this line of credit:

#### a. General security agreement.

The operating line of credit bears interest at prime plus 2.65% and revolves in increments of \$10,000. Interest is payable monthly. Prime rate as at March 31, 2017 is 2.70% (2016 - 2.70%).

#### 4. Deferred revenue

The Board received funding from Livingstone Range for the entire school year (September to June) which resulted in a deferral of revenue for 3 months after March 31, 2017. Therefore, funding will be properly matched to the period in which they were intended for. Deferred revenue from Livingstone Range from 2016 fiscal year payments in the total amount of \$40,075 has been brought into revenue in the current year.

For the year ended March 31, 2017

Long-term debt		
	2017	2016
Term loan payable in monthly instalments of \$695, including interest at 5.5% per annum, secured by 2012 GMC Sierra 1500 having a net book value of nil, due April 2016. Term loan repaid during the year.		835
Finance contract payable in 10 monthly instalments per annum of \$2,070, including interest at 6.10% per annum, secured by two 2016 Freightliner buses having a net book value of \$35,792, due September 2020.	62,628	79,665
	62,628	80,500
Less: current portion	17,923	17,872
	44,705	62,628

Principal repayments on long-term debt in each of the next four years, assuming long-term debt is subject to contractual terms of repayment, are estimated as follows:

	Principal	Interest	Total
2018	17,923	2,777	20,700
2019	18,855	1,845	20,700
2020	19,836	865	20,701
2021	6,014	61	6,075
	62,628	5,548	68,176

Cash interest on long-term debt amounted to \$3,523 (2016 - \$2,605).

#### 6. Commitments

5.

The Board has entered into various operating lease agreements for the use of equipment with estimated minimum annual payments as follows:

2018	22,290
2019	6.544

#### 7. Accumulated surplus

Accumulated surplus consists of the following:

•	2017	2016
Equity in tangible capital assets Unrestricted accumulated deficit	1,583,428 (291,072)	2,020,992 (547,733)

	5,635,703	4,831

#### 9. Annual surplus (deficit)

This note is to account for the capital expenditures within Peigan Board of Education which are not included in the statement of operations due to Canadian Public Sector Accounting Standards. This note provides details on how the operating and capital funding have been spent in current and prior years assuming that the old public sector accounting standards prior to March 2010 were still in effect.

Annual surplus (deficit)	256,660	(1,347)
Long-term debt repayments	(17,872)	(90,073)
Long-term debt advances	-	89,480
Proceeds on disposal of tangible capital assets	-	66,000
Gain on disposal of tangible capital assets	• •	(49,799)
Purchases of tangible capital assets	(38,440)	(108,295)
Amortization	493,875	516,740
Annual deficit per statement of operations	(180,903)	(425,400)
	2017	2016

#### 10. Economic dependence

The Board receives substantially all of its revenue from Indigenous and Northern Affairs Canada. These treaties are administered by INAC under the terms and conditions of the *Indian Act*. The ability of the Board to continue operations is dependent upon the Government of Canada's continued financial commitments as guaranteed by these treaties.

#### 11. Pension plan

The Board has a defined contribution pension plan covering substantially all full-time employees. The pension expense is \$134,634 (2016 - \$130,456) and is included with salaries and benefits. Contributions are based on 7.50% of all status employee salaries and 5.50% of all non-status employee salaries. There were no changes to the pension plan during the year.

#### 12. Supplemental information on set funding - part 1

Notes 12 and 13 contain supplemental information regarding set (contribution) funding as provided by Indigenous and Northern Affairs Canada ("INAC"). If surplus amounts exist these amounts are repayable back to INAC as per the set funding agreement. Deficits are not funded by INAC and become the responsibility of the Board. The supplemental information is taken from the financial statement schedules and is intended to report the set funding revenue and related expenses which are contained within schedules 2 through 10.

Revenue and expenses for the set funding amounts are included in the following schedules:

Teacher Recruitment & Retention - Schedule 2

FN and Inuit Skills Link Program - Schedule 2

Enhanced Teachers Salary - Schedule 2

Language and Culture - Schedule 5 & 6

	Teacher recruitment & retention	FN and Inuit skills link program	Enhanced Teachers Salary	Language and Culture	Language and Culture
